

**Kyrgyzstan Ambassador
recommends four Kyrgyzstan University for Pakistani students.**

Kyrgyzstan recommends four universities for MBBS for Pakistani students Ambassador of Kyrgyzstan Mr. Kubanychbek Toktorbaev and president of International University of Kyrgyzstan Professor Asylbek A. Aidaraliev held a meeting with the Registrar of PMDC Dr. Amjad Mahmood regarding Pakistani students studying MBBS in Kyrgyzstan and the problems being faced.

MR. Ambassador shared information with PMDC that many Pakistani students do not know the proper information about universities and many universities issue the degree which is not recognized and even these universities have no proper license to train medical course in Kyrgyzstan. So he added that to avoid such problems and for proper guide for Pakistani students who wish to study MBBS in Kyrgyzstan we recommend only 4 medical universities for foreign students.

The detail of these universities are as follow for proper information.

Name	Duration Course	Medium of instruction
International University of Kyrgyzstan International School of Medicine, Bishkek	5 Years	English
I.K. Akhunbaev Kyrgyz State Medical Academy Bishkek	6 Years	English
Kyrgyz-Russian Slav University Medical School, Bishkek.	6 Years	Russian
Osh State University Medical Institute, Osh	6 Years	Russian

The registrar PMDC shared information regarding PMDC criteria for students studying abroad .It was also decided in the meeting that Embassy of Kyrgyzstan will issue visa only to those students who have N.O.C from PMDC for admission in above particular universities and both countries will cooperate each other in the field of medical education.
